SMART CITIES

High School Program
Brisbane - Easter School Holidays

Faster. Smarter. Sleeker.

This is the reality of the digital world that we live in today. We are surrounded by technology everywhere we turn as organisations continue to innovate, create and disrupt.

In our Smart Cities program with Accenture, students will be participating in a three day design sprint to innovate and create as we explore how new and emerging technologies are changing the way we live and work now and into the future.

When:
7th - 9th April, 2020
